Fire Safety Contest

During October, the students in grades 1-5 will be participating in the State of Ohio Fire Marshall Contest for fire safety. This year's topic is "Practice Your Fire Escape Plan". Gesu entries will be sent to the University Hts. Fire Department. The Fire Chief will send two entries from all the schools in University Hts. to Columbus for the final judging.

There will be thirteen winners chosen from the state of Ohio for publication in next year's Fire Safety Calendar. During the past years, we have had many Gesu winners published in the calendar.

Congratulations to Gesu's 2007-2008 calendar winner, Christina K. Christina's art is shown in the calendar in the month of March.

We wish this year's participants the best of luck!
