

Math Curriculum Mapping
Algebra Level 2

Content	Skills	Standards	Assessment
NUMBER, NUMBER SENSE AND OPERATIONS	The learner will be able to:		
	2.1		
MEASUREMENT	The learner will be able to:		
	2.1 Use concepts of perimeter and area in practical applications	Measurement Techniques #9	Quiz and Test
	2.2 Use concepts of perimeter and area in practical applications	Measurement Techniques #9	Quiz and Test
	2.3 Write equation to model real-life situations	Use Algebraic Rep. #8	Quiz and Test
PATTERNS, FUNCTIONS AND ALGEBRA	The learner will be able to:		
	2.1 Add, Subt., Mult., Div. polynomials	Use Algebraic Rep. #11	Quiz and Test
DATA ANALYSIS AND PROBABILITY	The learner will be able to:		
	2.1
