

Just by shopping, you can support Gesu School...

Heinen's – ABC School Donation Program

For past participants of the ABC School Donation Program, **re-registration is required**. Visit www.heinensrewards.com. Each member must enter their email address and password; then click on "My Profile". Select Gesu School as "School of Choice" and update.

For new participants enrolling in the ABC Donation Program, visit www.heinensrewards.com and register your Preferred Customer Card.

All participants must have and use their Heinen's Preferred Card each time they shop from September through April. Heinen's Preferred Customer Card applications are available at all Heinen's store locations

Target – Take Charge of Education

Shopping with The Target REDcards, including the Target VISA Credit Card, Target Credit Card or Target Check Card, are all ways to support Gesu School. For new participants, visit www.target.com/t.c.o.e and select "REDcards". Under "Rewards and Benefits" select "Take Charge of Education" and select Gesu School #14011 to receive 1% of total purchases.

Giant Eagle - Apples for the Students

When shopping at Giant Eagle and using your advantage card, Gesu School will earn points to be redeemed for free merchandise to be used at Gesu. No need to register from year to year.

All new participants must register on line at www.GiantEagle.com or by calling 1-800-742-7753. If registering on line, select "Register" and create an account. Once registered, select Apples for Students and select Gesu School #2290.

General Mills - Box Tops for Education

General Mills supports schools with its Box Tops for Education program. With each box top collected, schools can earn either \$0.10 or \$0.15 in cash. To help, please clip box tops from various General Mills products and bring them to the drop off locations at the Gesu Church entrances or the Miramar entrance of the school. A list of participating products can be found at the drop off locations or online at www.boxtops4education.com.

Campbells Soup – Labels for Education

Also, Campbell's has the Labels for Education program in which each label collected can be exchanged for free educational merchandise for schools. **Please note** that the program now requires the **UPC code**, NOT the front label, as in the past. The labels can be dropped off at the same locations as the General Mills Box Tops. A list of participating products can be found at the drop off locations or online at www.labelsforeducation.com.

Please feel free to contact PTO Presidents, Jennifer Gehrlein or Mary Amjad with any questions. Thank you for supporting Gesu School with your purchases!
