

Gesu School teaches us how to be true Christians. Blessed Kateri Tekakwitha calls us: Go forth and live your faith. This theme has been present from the start of the school year. Everyday, we strengthen our loving relationship with God through our religion classes, prayer and the examples around us. Participating at Mass as a community is a very special way to express our love for one another. With the support of our parents and the Gesu community, we learn how important it is to trust, serve, honor, and love in order to become closer to Christ and each other. Each day, the students and staff participate in the daily examen which helps us reflect upon the events of that day. It helps us to see God's hand at work in our everyday lives. It also helps us to realize that we are surrounded by wonderful adults who love and care for us and teach us Christian values. The PTO is very supportive of all us and helps fund many projects and activities. Father Snow and the parish staff helps to guide us toward being even better Christians. Being part of Gesu Parish helps us to live our lives the way Jesus did.
